- Daniel Mehr

Daylight Savings Ends Nov 6

It's time to set your clock back and also the perfect time to change the batteries and test your smoke and carbon monoxide detectors. Smoke detectors save lives!

Upcoming Boot Drive

Saturday, December 3

Building News

The Fire District commissioners and Department members want to convey their sincere thanks to all those who participated in the events held regarding the remodel and expansion of the Fire station.

We are very thankful for the positive support shown to the department in passing the referendum. We look forward to completing this remodeling and bringing the station up to modern standards while continuing to serve you, our neighbors.

McKownville FD has responded to 196 calls in 2016

The Fire Department, along with neighboring departments that we work with, have been very busy over the last few months with serious car accidents and fires.
